CIRCULATION NOTE.

Subject: Conveyance Allowance for halts. during journeys outside the State.

Under the existing rules, no Conveyance Allowance in addition to Daily Allowance is admissible to the Government servants for halts in places outside the State, as the daily allowance is held as covering all such expenses incidental to the halt. Sri B.T.Kempanna, Former Development Secretary was deputed to Bombay during November 1949, to give evidence before the Indian Tariff Board on Sugar Industry and he had represented that he may be permitted to draw conveyance allowance for the days of his halt at Bombay as is allowed to the officers of the Food Department. The Hon'ble Minister for Finance and Industries has ordered that Sri B.T.Kempanna may be allowed a conveyance allowance of Rs.5/- per day.

As this is a matter out side the Mysore Service Regulations, the proposal is for consideration of Council by circulation, as ordered by the Chief Minister.

(2) Correspondence ending with letter No.A.1-C 1132-44-45 dated the 20th December 1945 from the Director of Food Supplies in Mysore, stating that in view of the costliness of the outside places and the changed conditions under which they work and the status they have to maintain as representatives of the Mysore Government, the rates of Travelling Allowance sanctioned in the above order are not adequate and proposing certain special ~~xx~~ scales of Travelling Allowance and other allowances for the officers and the staff of the Food Supply Department.

Order No.S.D. 1784-86- A. 204-44-8 dated Bangalore,

The 16-17th August, 1946.

After a careful consideration of the matter, Government consider
p.t.o.

that it is not desirable to make any distinction in such matters between one Department and another and are not therefore in favour of making any exception in the case of officers and staff of the Food Supply Department in respect of either railway journeys or the rates of daily allowances. In order, however, that they may not incur any financial loss, Government are pleased to direct that the officials and officers of the Food Supply Department be allowed, in addition to the rates of railway fare and daily allowance admissible under the order read above, a conveyance allowance not exceeding Rs.5 per day of halt in the case of officials, and Rs.10 in the case of officers (provided they engage such conveyances) and that a deputation allowance of 20 per cent of their salary be also granted in addition, if the stay at any one place exceeds fifteen days.

Government are further pleased to direct that to meet the cases of officials working in out of the way places, the Director be given discretion to apply to halts in such places the rates of daily allowance admissible for Delhi, Bombay, and Calcutta.
